18 This matter presently is scheduled for a status conference on 27 June 2014. Mr Lindberg is
19 out of custody and resides in Vacaville, California, with his wife and children. He does not have a
20 car available to him at all times and presently is unemployed. Traveling to court appearances here
21 in the Northern District for non-substantive hearings would work a financial hardship.

22 The government has provided an initial round of discovery, including documents relating to
23 the wiretap application and master affidavit for the various search warrants issued in this case.
24 Because the initial appearance before this Court will likely only include matters relating to the scope
25 of remaining discovery, and to scheduling the next appearance, IT IS STIPUATED AND AGREED
26 that Mr Lindberg's appearance at the status conference on 27 June 2014 is WAIVED.
